

## Deadlift Lockout Age Records 7-12-17

Deadlift lockout is to lift a barbell at least an inch at the top end of a deadlift. Drug free and non-suited. Lifters who lift more than those older than them also are credited with records for that age up age 19. Lifters older than 35, are credited with records for younger age groups down to age 20. Starting at age 35 records are in 5-year age groups.
